

Hello Vikings Fans!

The December food drive by the Vikings fan club was a great success. The club donated 64 pounds of food which will make 64 meals for people in need.

Thank you everyone for your donations! If you are interested in donating to the Mid Ohio Food Bank please take a look at their website for additional information because they are currently in need of food donations.

We will plan for additional food drives next season to help out the food bank.

MN Wild Fans

We have received a few response about interest about watching games at Brewsky's. We are going to put together a few dates if there is interest to watch the games. Please like the Facebook page and watch for more updates.
